**Our Mission**
We work to foster a safe and healthful environment for the OSU community.

Oregon State University will make reasonable efforts to provide a safe and healthful working environment for all employees, students and others who may utilize the University's facilities and grounds. All University departments/units will develop and implement safety policies and procedures that promote an injury free environment.

-OSU Safety Policy
Training resources include classroom instruction, online safety instructions, videos, and DVDs.

See the EH&S on-line calendar, or contact the Safety Training Coordinator for upcoming training events.
