

# SHIPPING HAZARDOUS MATERIALS

**Hazardous Materials**, referred to as **Dangerous Goods** for shipping purposes, are substances or materials that have been determined by the Dept. of Transportation to be capable of posing an unreasonable risk to health, safety, and property when transported in commerce. Violations can lead to **civil penalties** and **large fines**.

## IMPORTANT THINGS TO KEEP IN MIND WHEN SHIPPING HAZARDOUS MATERIALS

- ⇒ Shipping restrictions for a specific material may be found in Section 14 of its Safety Data Sheet (SDS)
  - ⇒ **NEVER** pack a hazardous material in your luggage or carry it with you when you travel
  - ⇒ If you receive Dangerous Goods in error, refuse the shipment
- ⇒ **DO NOT** attempt to return a shipment yourself after it has been signed for. It must be properly re-shipped
