1. Call to Order – Agenda

- 2. March 2024** – Minutes Consideration and Approval. Motion to approve minutes by Heidi Melton; seconded by Jennine Livengood.

March 2024 UHSC minutes were approved.

3. Ongoing Business items discussed

- 3.1. Narcan Training Event – occurred on campus in early April. It was well received and useful as per those that attended. More events and kits are coming soon.
- 3.2. Epi Pens – Occupational Health is leading these trainings as needed. More epi pens will be dispensed across select departments in the future. More information to come as the program continues to develop.
- 3.3. Safety Culture Survey – A sample of the press release has been sent to upper administration for final approval. UHSC members should have a copy of the results of the study, as these were sent out to the

committee approximately 5 months ago. Summaries for each college will be sent once upper management sends final version.

- 3.4. Official Safety Committee Invitations – There are no additional updates at this time.
- 3.5. SEIU and Graduate Students Union representatives for UHSC – There is no update at this time. Work has been done to identify and invite a Union representative.
- 3.6. Safety Walks are now posted and ready for UHSC members to claim and complete.
- 3.7. Trainings for April – Crane/Rigging Training in Newport and Corvallis; Arc Flash Training (NFPA70E); Motor Pool Safety Training; Field Safety Training.

4. New Business items to be discussed at next meeting

- 4.1. Open to Committee

5. Accident & Inspection Reports

- 5.1. Quarterly accident data summaries were discussed; Optimum flow of information would be disseminating to the departments and college safety advisory committees for local control follow-up.
- 5.2. Advocate accident management system will be replaced by Riskconnect. Riskconnect will be the campus’ new tracking system and with new capabilities for analyzing data trends; Safety Culture Task Force recommendation will be to establish department safety contacts and safety advisory committees who can directly review and address accident causation. Timeline of implementation will be shared once details are finalized.
- 5.3. On-Call Log/Report of any Unsafe Conditions
- 5.4. Fire Safety inspections for April 2024:
 - 5.4.1.1. Fire and Life Safety’s focus for April 2024:
